A central collage of symbolic images is set against a light blue background with faint circular patterns. At the top is a small globe. Below it, a white dove is shown in flight. A large, bright orange sun is partially obscured by a black alarm clock with two bells. To the right of the sun are white flowers with green leaves. MAJORS FROM THE MINORS

AMOS 5:18-24 & 9:11-15

This is what the Lords says....

Woe to you!

Major messages of the Minor Prophets

Hosea – God loves you even though you are lost in sin.

God wants to restore you. *Is that you?*

Joel – You have become complacent in your prosperity.

You take God for granted. *Is that us?*

Amos – You have so many other idols. You rich are

oppressing the poor. *Do we need to hear this?*

Obadiah – Your deeds (good & bad) will return to you.

Are our deeds & motivations pure & holy?

Jonah – All can be saved! *Are you running from God?*

Major messages of the Minor Prophets

Micah – The judgement of God is coming. Be ready!

Have you made things right with the Lord?

Nahum – God is your refuge in times of trouble.

Do you seek that refuge or rely on self?

Habakkuk – God is in control! Trust in the Lord!

Who are we trusting in?

Zephaniah – Don't be lukewarm. We need shaken up.

How is the Lord shaking you these days?

Haggai – Don't neglect God's work for you! *Are you?*

Major messages of the Minor Prophets

Zechariah – Indifference leads to devastation. The

Messiah will bring hope. *Be watchful.*

Malachi – Be restored to God. Get right with the Lord.

Have you received the free gift of Jesus?

Three main points of the Minor Prophets

- 1. Turn from your disobedience.*
- 2. Turn back to God.*
- 3. Embrace the future blessings of God.*

Refusing to turn around will not go well

“The days are coming when I will bring my people back and restore them.” Amos 9:11-15

In what way is the Holy Spirit speaking to me today about turning toward Jesus instead of away from Jesus?

How do I need to turn back to God?

A surreal collage centered on a globe. The globe is partially covered by a large orange sun. To the left of the sun is a vintage-style alarm clock. Above the sun is a white dove in flight. To the right of the sun are white flowers and green leaves. Below the sun is a winding road that appears to be made of a dark, textured material. At the top of the globe is a small blue and white planet. The entire scene is set against a background of a blue sky with white clouds and a light blue surface with a circular arrow path. The text 'THE TIME IS NOW' is written in large, bold, white capital letters across the center of the globe.

TIME
IS NOW**
